- CM 690 (3) - Construction Contract Administration (elective; also offered in Summer) - Rogers

NOTES

* PL 401 and PL 521 - required for students who do not have at least a couple of years of professional planning experience. They will be added to the emphasis area in a future catalog.

** PL 545 - suggested elective for Health Science Emphasis students

*** PL 599 will be taught in Spring 2010. However, in subsequent years it will likely be offered in the Summer Session, instead.
